NEWSLETTER Rosh HaShanah 2009-10, Tishrei 1, 5770

L'Shanah Tovah Tikatayvu!!

Happy New Year and may YOUR name be inscribed forever!

Shalom from Florida! We wish we could send Greetings from Jerusalem, or any place in Israel, but we are very thankful that HaShem has provided a simple, yet lovely place for us here in the countryside, with clean air, pure water from our well, lots of space, and 19 km from the nearest supermarket. We also have a Guest House, 2-bedroom just like our house, fully equipped for YOU to come to stay with us for a while and relax from the tensions of living in Israel. (Really, we would love to host you!)

This next year will be crucial for Israel, for you and for us. With the forces of evil getting more bold and obvious, Obama and Ahmadinejad in the lead, with their evil supporters behind them, it will soon be time for HaShem to show His hand more obviously than before on behalf of His Chosen People and Nation Israel, and for His Beloved Holy City Jerusalem!! These are very exciting times!! Bloodshed? Yes, as this will be a fight to the finish, as the enemy never gives up. Satan has no concern for those who blindly follow him. So, why do the majority of people follow him? Because they have deceived themselves by rejecting the one and only True God!

The only True God Loves those who Trust Him, and His Glory will soon shine forth!!

We hope all is well with you and yours! For us, we just passed our 53rd Anniversary Sept 8 (while in the Philippines), and today while I am writing this at home is Sept 14, my 80th Birthday!! Moses said, "The years of our life are seventy, or even by reason of strength **eighty**; yet their span is but toil and trouble; they are soon gone, and we fly away." Psalm 90:10. Moses began his life's work when he was 80! So, today I begin my real life's work!? My life until now has NOT been filled with trouble, as all my troubles have been turned over to my Father in heaven to take care of! Why not? He can handle them better than I could ever do! If you want the details, buy my autobiography, **According to Roger**. US\$25 postpaid!

We follow the news from Israel from several Internet sources every day, but we also want to hear news from you! YOU are important to us. ISRAEL is important to us. We would come to live there if we could qualify. How blessed YOU are!!

With our Love, Prayers, and Appreciation for You and Your Scriptures, God's Words!
