We Pray for the Peace of Jerusalem! Psalm 122:6

NEWSLETTER May 2006

Shalom,

Our February NEWSLETTER ended, “We return to FL May 16. By June we might be ready to “hit the road” for some USA ministry. Any invitations?”

The first definite invitation came from...ISRAEL! The day after we arrived in Manila, March 10, our son phoned to say that a friend in Israel would like us to watch her house for three months this summer while she is in the USA for grandchildren, a big birthday, etc. Naturally we said, “Sure!” We return the end of August, in case anyone would like a weekend teaching ministry on Israel and the Bible, history and current events...and some predictions? God’s plans have always focused on **Yeshua, the Jewish Messiah** for all mankind, and **Israel, His Chosen People always and forever!**

On our various ministries away from home, housing is our 2nd biggest expense, so having a place to stay in Israel while we visit our many secular Israeli friends around the country is a great blessing. So far they are blinded to Bible Truth, but having a Gentile Christian friend who genuinely loves them, their country and the same God, is and will continue to have an impact. Your prayers for a “breakthrough” will be greatly appreciated! With anti-Semitism growing worldwide, Israel has few real friends, indicating “The End” is very near.

In addition, there are many Filipinos in Israel working as caregivers, some from our BIBAK congregations. These need spiritual encouragement, Bible studies, questions answered, and some good fellowship...as some get homesick! Since we are “grandma and grandpa” to many of them, we can “fit the bill.” Roger also speaks with a Filipino accent...sometimes.

While in the Philippines the last two months, the highlight was the **4th Annual APMF Bible Conference** in Baguio City. Son Ron gave himself a birthday vacation and came out for two weeks! We also did Bible teaching in other places, including Davao City in the far south, a first for us. It is on the big island of Mindanao, where most of the Muslims live. For the last 25 years, Muslims in the Philippines, Europe, etc. have used a “conquer by immigration” policy. They are bold and aggressive to demand extra rights for themselves in their new areas, work their way into the economic and government structures to enforce their way upon all. Before long it will be “Convert to Islam or off goes your head!” You don’t believe it? Just wait and see! This has always been **Islamic policy** and strategy, **to rule the world**. With petro-dollars, petroleum, and terrorism, they have the will and means to do so. Only one problem: God says **Yeshua is going to rule the world!** Are you watching the battle progress?

Naomi’s boyfriend, Arthur Raitis, gives her pain in knees and hip, but otherwise we are doing just fine. September 8 we celebrate our 50th Anniversary, somewhere. We should stay home to do needed repairs on the home place, but...? The LORD won’t ask how nice our house is...

With our love and prayers,

Roger & Naomi
