We Pray for the Peace of Jerusalem! Psalm 122:6

NEWSLETTER July 2011

Shalom,

We depart for the Far East again on July 19! We are trying to keep up with the pace of world events... Not the world's "world events" but those orchestrated by our God for the soon Return of Yeshua The Messiah of Israel. Since we have been Grafted into the Good Olive Tree of Israel together with Jewish Believers, we keep watch for all clues, while at the same time, busy with the tasks assigned to us. What are the main clues? Anything and everything that involves ISRAEL!! Obama has turned against our friends and only ally in the region, so it is great to see the South Carolina Legislature rebuke Obama with a Unanimous Resolution endorsing a United Israel (including the West Bank, Jerusalem, etc as given by God!), to see Glenn Beck (Jerusalem Rally Aug 24) and many Republicans stating openly their support for Israel: Michele Bachman, Herman Cain, Sarah Palin and Gov Perry!! In the Islamic world, they know that Obama is on their side! We see it plainly in the people appointed in his Administration – Muslims openly advocating Sharia Law here in the USA! One report claims that Obama hopes to complete the "Islamization of the USA" by the end of his second term! Lets be sure that Obama does NOT get a 2nd term...unless God has allowed him to destroy the USA for our terrible sins, and prepare for Yeshua's Return. R U Ready? I have taught for 40+ years that the Bible shows ISLAM to be the final world empire to try to destroy ISRAEL!!! None has succeeded yet, and never will! Vive ISRAEL!

Did you enjoy reading *According to Roger, My Journey Into Bible Truth*? Here is one comment that came to PGM and shared with us, from a listener to "Unshackled." *"I heard drama number 3007, a fantastic missionary story, I was pulling for Naomi, will she get married? Will she be accepted to her mission organization? She got married and they went to the Philippines. Wow! What a story. I hope I can get to hear the rest of the story. If not, I must order the audio tape."* (We are 55yrs together 9/8/11)

If you missed our radio drama in 2008, you can still hear it. Go to www.unshackled.org, click on Listen Online, click on Archives 2008, scroll down to Programs 3007 & 8...and Enjoy!! To get the rest of the story, filling in the "fantastic details," get my book. The **Second Edition** is now available for a tax-deductible contribution to APMF of \$30 or more, postage included! For those of you who got the First Edition, I am planning to have the additional chapters printed in a booklet in Manila that I will send to you free of charge, after we get back from this coming trip of 2 months. Please let me know if you want a copy, as I will send only to those who ask.

Naomi's gets her 3rd eye injection July 12 for her macular degeneration, plus nutritional supplements. We always have good food! Roger's left knee is "bone on bone," so surgeons at the VA will do a knee replacement Nov 15. Therapy will take some months, so we will be home probably until May before our next trip to the Far East. Then probably the right knee will be replaced. Back in my athletic days, for anyone injured, it was, "put some heat on it, tape it up, and send him back into the game!" That is still my attitude – as long as the "game" of discipling and Bible teaching is possible, I am in the game! We are thankful for our home base in Florida for between "games," and an apartment in Manila given recently to us and APMF as a base for the Philippines and Asia Pacific region. Thank you, LORD! We are blessed to have a place to stay, from which we can travel throughout the region.

Randy & Ron join us in Baguio City Sept 1-9 for the 40th Anniversary of BIBAK Bible Fellowship. We are Pioneers, who "work ourselves out of a job" and then start a new one. APMF is the latest, incorporated now in the Philippines with self-supporting Officers faithful to their Master, Yeshua. Our ministry has always been Indigenous: no subsidy, no control, just Teamwork together with Yeshua.

With our Love!

Zec 12:1-3 "This is a message about Israel from the LORD, the LORD who spread out the skies, created the earth, and gave life to man. He says, "I will make Jerusalem like a cup of poison; the nations around her will drink and stagger like drunks. And when they besiege Jerusalem...I will make Jerusalem like a heavy stone---any nation that tries to lift it will be hurt." HalleluYah!!
