NEWSLETTER April 2009

Shalom,

MISSION ACCOMPLISHED!!

The 7th Annual APMF Bible Conference and 4th Yeshiva successfully completed!

Just 100 people participated, all from the Philippines. Many appreciative comments were received. The economic situation prevented those from other Asia Pacific countries from attending, so later this year I will offer to bring the 3-Day teaching on Acts to them in their countries. This way, many more will benefit. Then, I will expand the PowerPoint presentation and publish a "Commentary on Acts."

After Passover on Wednesday evening last April 8, I taught from 9am to 5pm on Thursday. Thursday midnight, I began diarrhea the rest of the night, with one vomiting. The LORD overruled my weakness, maintained my energy, so I was able to teach again Friday from 9am to 5pm. Ate nothing all day, only drank liquids. A lab test said "Amoebic Dysentery," first time to have that, so on to some medicine! Finished the main teaching by noon on Saturday, and began to eat something. Took Q&A for 1.5 hours after lunch, which ended my teaching part. God is so good to His Ambassador servants – all the time!

"According to Roger – My Journey Into Bible Truth" published and available!

He is also the God of the seemingly impossible, using people dedicated to Himself, to pour into these people His wisdom and ability to accomplish tasks beyond the normal. Can you imagine receiving the text of a 400 page book via Internet, deciding a few weeks later that pictures are necessary, receiving almost 100 pictures via Internet to choose from, formatting all the pages, designing a beautiful cover, adding Appendices, and having the book printed and available for sale at the Conference, all in about 7 weeks time? The LORD did exactly that, using one of our leaders in Manila that is good on computers.

The book is now available to you! The price is \$24.95, but we do not plan to sell it quite yet. Instead, we will send a signed copy for a tax-deductible contribution of \$50 or more to Asia Pacific Messianic Fellowship, mailed to 2751 SE 150th Ave., Morriston, FL 32668. Ray's life insurance has been spent, so we need to find more funds for our overseas ministry. APMF funds are used only when on ministry assignment and pays no salaries. Our Social Security takes care of us when we are home. We are donating the books and the S&H in order to help bring APMF out of a big deficit. I am adding writing and publishing to my repertoire, beginning my new ministry like Moses at 80 years old!

We would appreciate any comments, corrections, etc. as well as any help for marketing the book, since we are self-publishing it. If you have a bookstore or sales outlet, we will offer a quantity discount later when we get the second printing, but let us know now so we know how many to print. Any "rave reviews" will be kept on file for future promotions! As an easy reading, teaching autobiography, it is rather unique and can be useful for many purposes.

Blessings on you all, with our Love & Deep Gratitude to Yeshua for being so Wonderful to us!!
