We Pray for the Peace of Jerusalem! Psalm 122:6

NEWSLETTER March 2011

Springtime in Florida!!

February 18 we had our Friday eve supper outside on the porch! Spring began that day for us, as it has been beautiful weather since, with doors open to let the breeze blow through.

However, we will be leaving this beautiful springtime March 6 for our next trip back to hot **Manila** and beyond. Roger will fly alone to **Jakarta** March 11 for 4 days teaching with Benyamin and then fly to **Medan** on the island of Sumatra on March 15 for 5 days teaching with Bernis. These 2 men are mainstays of APMF expansion with Indonesia Messianic Fellowship. We agreed to have a teaching ministry on a regular basis, with them in these cities and others, as we are able.

Upon my return to Manila, we have one day to repack and head for the mountains, **Baguio City**, one mile high and cooler, for one week with the original BIBAK and APMF congregations there. Sunday March 27 will be an all-day Seminar on **"The Gospel in the Stars,"** which was requested for our next trip. Then April 3, we will fly to **Cebu** for the same all-day Seminar. April 21-22 will be in Manila for an expanded Seminar. Then we have the enjoyable ministry of motivating and encouraging everyone during the **9th Annual APMF Bible Conference April 29-May 2 in Manila.** Participants come from all over the Region, from Singapore to Japan (and maybe NZ), so an important function of each Conference is to fellowship together and to be blessed spiritually.

Tim Hegg (www.TorahResource.com) has agreed to teach on a subject new to him, **Prophecy.** He is going to approach it as the Hermeneutics of Prophecy = how to interpret and understand prophecy. Symbols and apocalyptic language are not newspaper language. The Conference Committee in Manila is promoting it as: **The Messiah is Coming!! Unlocking the Bible Prophecy Code!**

With political eruptions all over the world and "natural" disasters as well, I think the Lord is telling us that He is getting ready to send Yeshua back to earth to set up His long-awaited Kingdom, so the enemy Satan is furiously working to thwart His plans. God is going to cause the "wrath of man to praise Him," as He can manipulate people and events to accomplish His purposes, in His own way and time. Since little **ISRAEL** is the focus of Satan's attacks, we have invited the **Ambassador of Israel** to the Philippines to come to speak at our Conference. **We in APMF are 100% Pro-Israel!** God's Chosen People are the people God "loves with an everlasting love." However, the country is corrupt like all others, and there is serious persecution against Believers in Yeshua.

Two days after the Conference we fly to Chicago, to celebrate Roger's **60th** Wheaton College Class Reunion May 6-7. May 10 we fly home to FL, to start going through cartons of mail. What will the USA and the world be like by next May? Strong forces of evil are gaining ground, competing to be the masters of this world. Based on Scripture, we expect Islam to win, with **Iran and Iraq to be the masters,** and their **Mahdi** to be the false messiah. So why did we go into Iraq? To remove Saddam, the obstacle to Iranian takeover of the area! And Afghanistan??? Since WW2, the **USA has not fought to win** any war! Why? Let me know your analysis! Something is rotten in the White House and the State Dept, both anti-Israel, but be sure, **Israel is here to stay!** As for Israel's enemies, "He who sits in the heavens laughs; the Lord holds them in derision." Psalm 2:4 and **"IF** the heavens above can be measured, and the foundations of the earth below can be explored, only then will I cast off all the offspring of Israel for all that they have done, declares the LORD." Jeremiah 31:37.

With our Love,

"Make disciples...teaching them to observe all that I have commanded you (Genesis onward). And behold, I am with you always, to the end of the age."
