We Pray for the Peace of Jerusalem! Psalm 122:6

NEWSLETTER May 2016

Shalom,

As Jacob said, "*If I am bereaved of my children, I am bereaved.*" Gen 43:14. Naomi and I married nearly 60 years ago (Sept 8) to have children, partly so that they could help us, especially in old age. **#1 Ray** and family of 4 helped us a lot and we them, baby sitting and home schooling and then God took them all Home 18 years ago in that fiery plane crash in the Bahamas!

#3 Ron came down from IL before that to be with us and help us. He did a great job managing Walkwitz Aviation after Ray was gone, for a year until we made it profitable and sold it. He also takes care of our 4 acres, machinery, computers and other things. Now we find that he has massive colon cancer! He had no pain until a few days after we arrived in Manila only two months ago. Will God take Ron Home early, also???? We hope not as he is loved and needed here.

Thankfully, **#2 Randy** and family of 4 moved to Tampa, FL area from AZ two years ago. Randy took Ron to the hospital to begin treatment while we were away. He is a 2 hour drive south of us. We do not know God's purposes in all of this but we love and trust Him!!! Each of us belongs to Him, by Creation and being bought with a price, the precious blood of Yeshua! We are here to serve Him, not ourselves! We too will go Home someday, but we face difficulties ahead. Ron is doing fine so far. Naomi's immobility is increasing - she cannot walk alone without her walker - but does all she can for meals and is always cheerful. We Rejoice in the Lord because we are in Him! He gives us Peace that surpasses all understanding! No complaining or worrying allowed!!

We went to Manila for our 14th Annual APMF Bible Conference with our special teachers, **Tim and Caleb Hegg** (TorahResource.com). Naomi insisted to go with me again as our many Messianic Believers and others still in church are Family to us! As their Patriarch/Grandpa I had a session the last day for Challenge and Testimony of God's leading and blessings since we arrived January 25, **1958!** All is recorded in my book, According to Roger, My Journey Into Bible Truth. You can buy a copy, 2nd Edition, from Amazon.com (click on the picture for discount) or direct from us.

Our next blessing will be to teach a 3-Day Bible Conference in Calgary, Alberta, Canada. July 1 is Canada Day, a Friday holiday. Believers from our Philippine APMF Family have immigrated there and are pioneering a growing congregation as I expect all my students to do wherever they go. Realizing they had a 3-day weekend available, an email came months ago, "Sir, we have a long weekend July 1-3. Can you come to teach us?" "Yes, of course. What shall I teach?" "Anything the Lord directs you to. We have a lot of new Believers here." The result: The Sovereignty of God and how YOU fit in, for better or worse, From Creation to the New Heavens and Earth. Much teaching today is "we centered" rather than God centered. A good Foundation is: God has only One Way of Salvation, One Family, and One Way to live in His Family. His One Family is Believing ISRAEL with Believing Gentiles grafted in, the Olive Tree Message of Romans 11.

After Calgary we are open to teaching Invitations anywhere. Our Calling from the Lord continues until He calls us Home. However, lengthy trips may not be practical for now. We can also use Skype. One day at a time...the only way to live, always!

By the way, our adjacent 2-bedroom Guest House is primarily for those who want to come here to study & visit with us for an overnight or much longer! You fix your own meals in the complete kitchen. Our small Bible Study group meets there every Saturday that we are home.

With our love and appreciation for all of you world-wide!

Roger & Naomi "*The effective prayer of a righteous person accomplishes much.*" James 5:16.
