We Pray for the Peace of Jerusalem! Psalm 122:6

Shalom from ISRAEL!

August 5, 2006

Last night we heard air raid sirens here in Caesarea for the first time! In 1991, we heard them frequently for the 39 Scud missiles that rained down on Israel during Gulf War I, as we scampered for the sealed rooms and donned gas masks for fear of WMDs. We were studying in Jerusalem at that time.

We were hosting an Israeli family of 5 for Shabbat supper, when at about 8:30pm we heard the sirens. Our bomb shelter is built for one or two, not seven of us! So we all hesitated a bit in this concrete house and soon the sirens stopped. The conversation was mostly about the war, and having them translate the TV news into English. It was that 3 Katyusha rockets hit near Hadera, a city about 10 miles SE of us and where we do our produce shopping. They landed in empty areas and no one was hurt. So it seems that we are now in range of whatever rockets IRAN wants to send against Israel, as Hesb' Allah, with Syria, is the proxy army of IRAN. Remember that! IRAN and fundamentalist Islam is the enemy, an enemy of God, of Israel, of Christianity, and Western civilization! ISRAEL IS FIGHTING THE BATTLE FOR THE WEST who all should be helping them!

During the evening, our friends in the Golan Heights phoned to invite us to come visit tomorrow, but we already have a schedule to meet several Filipina caregivers in Tel Aviv (Sunday the day off for most), so we will probably travel to the Golan on Monday. This family is the one that we have not seen yet, as conditions dictated a delay, and may even yet. We agreed to phone Sunday evening to confirm our trip.

Also remember, Israel fights defensive wars as their very existence is at stake. They cannot afford to lose! Their enemies fight to destroy Israel, as they are Satan's agents to frustrate God's plans for the Return of Yeshua the Messiah to Jerusalem, Israel, to the Mt. Of Olives. This war, and all Israel's wars, have a Spiritual dimension that only true Believers in Yeshua can understand. Our visitors last night had no interest in what The Prophets in their Hebrew Bible had to say, as they consider it mostly myth. The blindness on most Israelis and Jews is so obvious! After the Holocaust and millenia of persecution, "how can any Jew believe in a God?" But a few do, so pray for their witness, and we Gentiles who love Israel and Israelis regardless of response. And Pray for Pres. Bush and US Congress to stand firm for Israel! The US State Dept has been anti-Israel since the beginning. Harry Truman had to buck them as best he could. Sec. Rice has a job to clean out the entrenched foes of Israel and follow what is eminently Right, even without reference to the Bible! The survival of the USA is also at stake, as God promised to curse those who despise Israel! God is in charge; make no mistake about it! And we are on His side.

With love from the Front Lines, and Rejoicing in the privilege:
