We Pray for the Peace of Jerusalem! Psalm 122:6

July 16, 2006 (PS. What's going on where you live?)

Shalom from Caesarea, ISRAEL, (Study your Bible map as you follow the war!)

"Cycle of violence? Disproportionate? Exercise restraint?" NO WAY! NONE of these apply to Israel, who has suffered continual attacks for years from Islam through its agents, Hezb'Allah, Hamas, and the various factions of the PLO/PA, and the verbal assaults and insults from world bodies and media. Enough is enough! Islam started the current war. Israel intends to finish it. Peace can never be achieved with an enemy that has no intentions to make peace, but rather to destroy Israel totally, piece by piece. Therefore, Israel must destroy its enemies! Israel fights to survive, and we are here to encourage them. We hope you share with us the FACTS and not the distortions of the media and others. Anti-Israelism, anti-Zionism, is still anti-Semitism.

Israel and the Jewish people will always be the Chosen People of God, through which He will accomplish His purposes on earth. No one replaces them! The soon Returning Savior, Yeshua The Messiah, The King of Israel, is Jewish, of the tribe of Judah. His capital will be Jerusalem, from which He will rule the world. This is why Islam is intent on taking Jerusalem and destroying Israel! Islam wants to rule the world! Can Islam, that evil political religion of the devil, defeat God? Read Psalm 2 for God's answer! Meanwhile, Israel is His weapon, until.....

Those who oppose Israel, oppose God. Those who despise Israel will be cursed by God. Those who bless Israel will be blessed by God. It is part of the sifting of mankind, to show what is in the heart of each one. "By their fruits you will know."

It is Sunday morning; everyone has gone to work. Yesterday was Shabbat. The 4th Commandment, Shabbat (Sabbath Day in Hebrew) is a legal holiday here, a blessing designed by God to relieve the stresses of life and give time for Fellowship with Him and His faithful. We will check out our bomb shelter, be sure we have adequate water and food in case electricity gets shut off, etc. We have one gas mask in case WMD are used, and the gas tank on the car is nearly full. "Don't worry about anything..." Phil 4:6 is part of our daily attitude. We are here to be useful to Yeshua for His purposes. We are healthy, happy, and doing very well! Thank you for your prayers for us and for Israel!

With our love and prayers,

Roger & Naomi
