We Pray for the Peace of Jerusalem! Psalm 122:6

NEWSLETTER: 19th ANNIVERSARY of the **Promotion to Glory**
for Ray, Carolyn, Josh and Ben Walkwitz, March 22, 1998.

Greetings from Florida,

We are not presumptuous to say "Promotion to Glory" as this is based squarely on God's Promises. God cannot lie. Our life and ministry has been and forever will be based totally on the Bible, Genesis thru Revelation. There is no other sure Foundation of Truth! All else is quicksand..... Do not be deceived!!!!

All of humanity is divided into two families. 1) We all are born into **Adam's family** with a sin nature that dooms everyone to the Lake of Fire. Most choose to stay in this family. 2) Others have understood the **Good News of Yeshua** (Jesus) The Messiah as stated clearly many times in the Bible and have responded by submission to Him and been Born-from-Above into **Yeshua's Family** that guarantees Eternal Life with Him. We, Ray, Carolyn, Joshua and Benjamin chose Yeshua, therefore "Promotion to Glory!" **2Corinthians 5:8**. *We are confident and willing rather to be absent from the body, and to be present with the Lord.*

Our last ministry trip was to **Calgary**, AB, Canada to teach a Bible Conference July 1-3, 2016...very enjoyable, many Filipinos!!! Before that we were in **Manila** for a month, March-April 2016, for APMF Annual Bible Conference #14..... a blessing to all with many "Farewells" knowing that it might be our last time with them. Ministry continues with email daily even if I might not be at Conf #15 June 8-11, 2017!!!

And so it has come to pass that Naomi's mobility has become very limited so that travel is difficult. BUT we are very Thankful that both our minds are doing just fine (any objection??)!! A bit forgetful, yes, but amazing at 87 and 85!! So now it is my Joy to make nearly all the meals, do the dishes, cleaning and laundry, etc.!! There is no place like home in these conditions and Florida is wonderful!! **Rejoicing** is the best medicine!!

Randy and family moved to FL couple years ago and they also are convinced that FL is it!! Jake finishes 2nd year college, Sam finishes last year high school - college next. Ron continues healing since his last chemo and if all goes well, surgery will put him back together this June. Me? Ok, I got diverticulitis 10 days ago but our VA ER took very good care of me, as usual. We are very thankful that **TRUMP** won the Election but he has an almost impossible job to "drain the swamp" as entrenched Evil is obvious everywhere. We pray for him daily and for **ISRAEL**, our future home.

With our Love and Appreciation,

Roger, Care Giver for Naomi
