We Pray for the Peace of Jerusalem! Psalm 122:6

NEWSLETTER April 2011 from Manila, Philippines

SHOFAR SHOGOOD!!

We are on “final” now (aviation language), getting ready to finish up these two months in the Far East, or in track language, rounding the final turn heading into the final stretch! In track, I would be sprinting, giving everything I had to reach the finish line, but now, I have finished my teaching sprint and coasting into the 9th Annual Bible Conference April 29-May 2, again a Yeshiva course. Nearly all the preparations have been done, with a few more this week – the Kit of materials for each participant. We are preparing 350 Kits to be sure we have enough. Tim Hegg will be teaching on Interpreting Prophecy. It is in Manila this time, and we hope the Amb of Israel will speak.

Soon after arrival in March, I spent 10 days teaching in 2 places in Indonesia while Naomi stayed in Manila. The topic requested was a study on “Anti-Semitism,” very important because it is growing stronger world-wide. We are 100% pro-Israel for its external enemies, but internally, we have a few problems with the persecution of Messianic Jews by Orthodox Jews in Israel, with seeming government indifference.

Then back in Manila, the request was for “The Gospel in the Stars” Seminar, first up north in Baguio, then down south in Cebu, and lastly here in Manila just last week. Most of this Seminar was on Genesis 1, to give a solid understanding of Creation, 6 days of 24 hours per day, about 6,000 years ago, which fits very well with the evidence in nature. Moving from that firm foundation leads to all kinds of problems; the Bible is True as written! In contrast, the speculation of Evolution is a total lie, with no evidence whatsoever. It is NOT a theory, which in science is something that has been thoroughly researched with no problems found at present. The message of the Constellations, with the meanings of the star names, gives a solid presentation of Genesis 3:15 several times, with 3 snakes pictured! From Virgo the Virgin to Leo the Lion of the Tribe of Judah, Rev 5:5, God has told His Message to Adam & Havah and onward, so that mankind is “without excuse!” Rom 1:20.

And I (God) will put enmity between you (serpent) and the woman (Israel), and between your seed (son of Satan) and her Seed (Yeshua); He will bruise your head, and you shall bruise His heel.

The Philippines seems to be doing better than the USA, even with gas at \$5.09/gal and diesel at \$4.20/gal, both government controlled as the economy runs on diesel. Prices of transportation and food are a bit higher, but still ok. The Peso has improved over the dollar so we do not get as many pesos now. We are thankful for good health except for a bout of food poisoning when I, Roger, ate contaminated “salmon sashimi” (supermart package), but we have a special doctora (lady) in Baguio who came to Faith in Yeshua at about 16 yrs, who comes to our place and even goes out to get any medicine needed! This time she gave me an IV to take care of dehydration.

We depart May 4 for Chicago for Roger's Wheaton College Class of '51 60th Reunion, and then back home to Florida on May 10...to get ready for our return to the Far East on July 19. There will be seminars here and there, but the main purpose is the 40th Anniversary of BIBAK Bible Fellowship, and the many congregations that came from this central School of Tyrannus “Bible College.” Randy and Ron will be joining us for the week in Baguio City, September 2-8!! What fun!!

Blessings on you all, 2 Chronicles 16:9 *“For the eyes of the LORD run to and fro throughout the whole earth, to show himself strong in the behalf of them whose heart is perfect toward him.”*

Roger & Naomi
