Age Related.....

That's it, folks. We both have "age related" problems, but the surprise was finding that Naomi also has Age Related Macular Degeneration, in both eyes, dry kind in the right eye, and wet kind in the left. A normal checkup last January did not show this! The good news is that there is a new treatment now to possibly restore her sight in the wet one: several injections right into the white of her eye over several months. With mine, the only treatment was to zap the bleeding macula with a laser, which killed it for any further restoration. While in Manila last April, Naomi suddenly began losing her sight, so we had a checkup right away upon getting home. The eye hospital did the treatment right that day, for which we were thankful! God is good, always!!

Enough of "age related" stuff. There are more important things to talk about! Such as...ISRAEL!!

We hope you share **our 100% backing of tiny Israel** on the world stage. We were very pleased that PM Bibi Netanyahu was able to eloquently set the record straight on a number of issues, to Obama and the world, and to an enthusiastic Congress. Our State Department has been anti-Israel all along. Pres Truman bucked the State Dept to order the immediate Recognition of Israel the moment they declared Independence on May 14, 1948, but then had to give in and not supply Israel with any weapons. Thank God our Congress has been pro-Israel all along, and **thank God for PM Harper of Canada, who is outspokenly pro-Israel!** The electorate backed him big time in the last election. We will see how God works things out for His Chosen People as we head into what we believe are the final End Time days. And we will see how God punishes those who oppose Him and Israel.

Joel 3:2 *I will gather all the nations and bring them down to the Valley of Jehoshaphat. And I will enter into judgment with them there, **on behalf of my people and my heritage Israel**, because they have scattered them among the nations and have divided up my land....*

Some folks have an erroneous idea that God has rejected Israel and replaced them with the "church." Sorry! That is a fatal mistake in dealing with God.

Rom 11:1 *I ask, then, has God rejected his people? By no means! For I myself am an Israelite, a descendant of Abraham, a member of the tribe of Benjamin. **God has not rejected his people**...!!*

The Ambassador of Israel to the Philippines was not able to come to speak at our recent Conference in Manila, so we played the video of Israeli Ambassador Irit Ben-Abba giving her excellent speech at our 1st APMF Bible Conference in Baguio City, June 2003. We were good friends, so she actually flew to Baguio especially to make this speech, as she wanted to back our pro-Israel position.

Tim Hegg's teaching on Prophecy was also very helpful. Nearly 400 participants packed the large ballroom of the Intercontinental Hotel in Manila, double our usual attendance. It seems that the Lord will fill whatever space we rent for our Conferences, so for this one, the "faith of the Committee" was big, so the largest space available was rented 3 months ahead. Good advertising helped, including 2 large billboards along the main artery in Manila, and hundreds of flyers.

Right after the Conference, we flew to Chicago to join the 60th Graduation Reunion of Roger's class from Wheaton College. Possibly 1/5 of the original class attended, with more not able to come. Five of us graduated with a professional chemistry degree. Only 2 of us are left. The 2 days of activities went fast; great to see some who were in high school with me also, as Wheaton was my home town.

Next trip? July 19, to Baguio City for the **40th Anniversary of BIBAK Bible Fellowship!** Ron and Randy join us for this celebration with their friends of years ago.

With our Love,
Roger & Naomi
