**NEWSLETTER September 2021**

### SEPTEMBER SUNSET

September is and always has been a special month for us. Notice the following:

Sept 5. **50<sup>th</sup> Anniversary of BIBAK Bible Fellowship!!!** The Congregation that the experts said would not last. We continued obeying the Lord's vision, using Indigenous principles, no clergy and no subsidy. We made a Constitution with them that only mountain tribal persons could be members and hold office. After we left, other missionaries tried to take over and correct my "mistakes" but could not because of the Constitution!!! BIBAK is thriving today, proving the Lord's way is the best!!

Sept 8. **65<sup>th</sup> ANNIVERSARY** for Roger & Naomi, a marriage the experts tried to prevent, but again, obeying the Lord's plan, we have proved them wrong! References do not always report reality.

Sept 14. Roger's **92<sup>nd</sup> BIRTHDAY!!** At 80 we were doing great and thought of going for 120 like Moses but 2021 has been a disaster, with 2 bad heart valves, aspiration pneumonia, loss of balance so I am in a wheelchair, and worst of all, I am nearly blind from macular degeneration, all of this quite suddenly so I base it on Rev 12:10 – Satan accusing me – and Job 1-3, God responding to the accusations to test me. So far I am not doing very well passing the Test because taking care of Naomi in her invalid condition is more than I can handle in my condition, BUT by the Grace of God, He is helping me do it, with Ron helping with the hydraulic lift and 2 CNAs from Haven Hospice come M-F around noon to change her diaper and give her a bed bath Tues and Fri, a big help! Naomi handles her affliction better than I do.

What we really need is what Philippine culture has, a live-in lady helper. Our last one enjoyed staying with us for almost 25 years!! Elisa not only helped Naomi but supervised our small Dorms at our BIBAK Center "**School of Tyrannus**" (Acts 19:8-10) and taught college students how to teach children as God had gifted her in doing so. Maybe the Lord has such a strong, healthy believer to bless our final months or years and be blessed in turn with fellowship and our teaching.

Even though I can hardly read anything, I still hope to publish my Volume 4 – My Understanding of The Revelation of Yeshua The Messiah, to add to Volume 1 – Biography, Volume 2 – Significant teachings, Volume 3 – the Mishkan (Wilderness Tabernacle). All of these are available at Amazon.com. I taught the Mishkan and the Revelation last year on Zoom for my Filipino students now all over the world! Some of them have transcribed the lectures and others edit them and send them to me. I send them to my publisher to put them together and finish the book. I continue participating in two Bible classes on Zoom with these students since I have more background to help the ones teaching, a highlight for my week!! All of my ministries have been built on local believers, not on me, not on hirelings, so each one is doing fine with their own leadership with Yeshua, including the **Asia Pacific Messianic Fellowship**, which was launched in June 2003 and has spread all over the Philippines and the Far East. I can help, !! I am appreciated, but I am not necessary, so Naomi and I are ready to go Home, "Job well done!" "**For the JOY set before us**" of being with Yeshua forever, we endure day by day, trusting His Promises!!

Sept 8-14, A mother and 3 married daughters and one granddaughter, all from Baguio City, Philippines in the past will be with us in our 2-bedroom Guest House for their "annual" reunion and Bible Study vacation. Randy & Janie might also come from GA to help celebrate the 2 special events.

Why September "Sunset"? This might be our last Newsletter. If not, someone else will type it.  
With our love forever,  
Roger & Naomi
